ABOUT Us

THE COMPANY

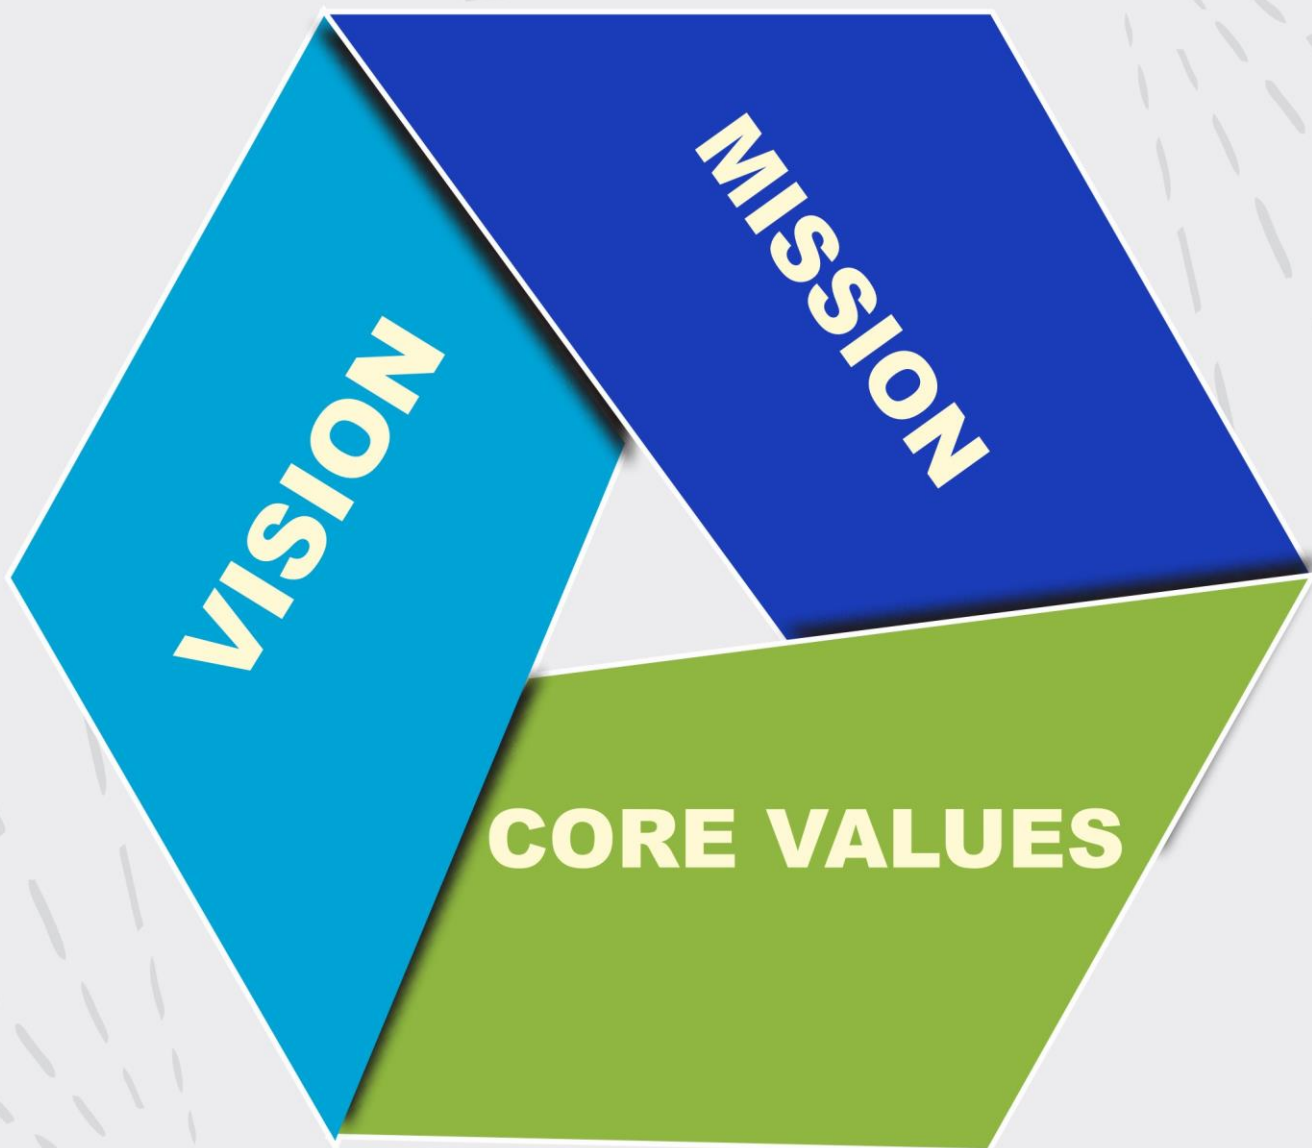

JK CONSULTING CO. LTD RC 627261

JK Consulting Co. Ltd is a private company registered in Nigeria under the Companies and Allied Matters Act 2020 (as amended), to provide Financial Consulting, Capacity Building, Training Services and Study Tours.

We are unique amongst our peers in the provision of cost-effective and high quality professional financial consulting services, backed up with a wide spectrum of experienced professionals.

The Company is rich in human assets, made up of men and women with profound professional knowledge and experience. Leading the exquisite professional team is our President and Managing Consultant/CEO, Dr. James Kayode Naiyeju, JP, OON. He is the Principal Officer with a crop of experienced Financial and Tax Experts, several young and vibrant Accountants and IT celebrities, Dr. Naiyeju is a renowned Chartered Accountant, Tax Practitioner, Public Finance Expert and a Certified Forensic Investigation Professional. He is a man who has traversed both the public service as well as the private sector of the Nigerian Economy. He is ably supported by an array of other reputable professionals in the field of Accounting, Public and Private Finance, Human Resources, Taxation, Auditing, Forensic Investigation, Information Technology and Project Management that has metamorphosed into a consortium of consultants. With this reservoir of expertise, JK Consulting Co. Ltd. is well positioned to efficiently and effectively execute any given job or assignment with timely delivery, prudential costs and quality service.

Our experienced and versatile professionals, coupled with our long public and private sector experience provide us leverage for successful implementation of every task. Our professional skills and knowledge, together with our operationally oriented staff are well positioned to deliver the distinctive values that our clients seek. Our Quality Assured Operation means that a “right first time” culture has been developed to provide strategic solutions to our clients' problems open lucrative opportunities for them and maximize their natural competitive strengths.

Vision

“To be one of the top five Consulting Companies in Nigeria by 2025”

Mission

To always provide result-oriented consulting services of the highest quality to our clients in line with global best practices.

Core Values

We apply the following values and ethics to all our assignments and jobs:

- **Professionalism:** We have the competence to do the job well within the agreed time frame.
- **Quality Assurance:** We deliver excellent quality service to our customers.
- **Experience:** We have sustained experience in both public and private sectors.
- **Global Best Practices:** We translate global best practices to local realities.
